Through comprehensive treatment, counseling, and awareness programs, we aim to empower individuals and communities across Morang, Sunsari, Jhapa, and other regions. Our mission is to create a healthier, stigma-free society where everyone has the opportunity to thrive.

Our Core Areas of Expertise

- Drug Treatment Services: Providing rehabilitation and support for Drug Users (DUs) and Injecting Drug Users (IDUs).
- Counseling Services: Offering professional counseling to address psychological and emotional needs.
- Community Sensitization: Raising awareness and reducing stigma around drug addiction and HIV/AIDS.
- Media Sensitization: Engaging with media to create informed, compassionate narratives.
- HIV/AIDS Prevention, Care, and Treatment: Educating vulnerable groups and linking them to essential healthcare services.

Promoting Health Through Sports
